

## Bellerbys - Brighton

### Location - Study by the seaside!

Brighton & Hove is a lively, cosmopolitan city on England's south-east coast.

Our new, purpose-built Brighton college sets new standards in teaching, social and residential facilities. Set in a contemporary, environmentally-friendly building there are 46,700 sq ft (4,338 sq m) of teaching space, including 62 classrooms, six science laboratories, five art studios and a state-of-the-art library.

Next to the academic centre is 77,100 sq ft of residential accommodation including over 350 bedrooms. Bellerbys Brighton Study Centre is set in the heart of the city, just a few minutes

from Brighton railway station and the unique North Laine quarter with its fashionable shops, restaurants and entertainment venues.

Transport links are excellent, with trains to London leaving Brighton every 30 minutes. The journey takes 50 minutes on the express service. The Brighton Study Centre is just a two minute walk from Brighton Station.

The nearest airport is London Gatwick and takes just 30 minutes by train.

## College Facilities

### Our new Brighton Study Centre

The brand-new Bellerbys Brighton Study Centre offers the best facilities in the UK for international students.

Located in the heart of the city, the building occupies a landmark position just a few minutes from Brighton station and the North Laine area with its fashionable shops, restaurants and entertainment venues.

Our contemporary, environmentally-friendly building has a campus-like environment, allowing students to get a taste of what life will be like at university. The first class facilities include:

- 62 classrooms
- A state-of-the-art library and bookshop
- Specialist subject faculties
- An exam hall and lecture theatre
- 375 single en suite student bedrooms
- A large cafeteria and outdoor courtyard
- An internet cafe and spacious common rooms

## Activities at Bellerbys Brighton

There's a lot going on at Bellerbys Brighton. We always encourage students to develop themselves constructively in whatever way they wish. If any student would like to suggest ideas for activities, clubs or exercises, we will do our best to support you in your efforts. Our Activities Manager is dedicated to making sure you make the most of your time at Bellerbys College.

### Sports

Bellerbys has many excellent links with local sports organisations in Brighton. Regular football, gym, badminton, basketball, yoga and squash sessions are held and students can get discounts on activities at local dance schools, and fitness centres.

This year we held two very successful sports tournaments. The soccer tournament involved over 100 players and was won by a team from our Park House campus. The basketball team was won by the Korean team in a thrilling final.

### Clubs

There are many clubs and societies for students at Bellerbys Brighton. Whatever your interest or hobby, you can usually find others who share it.

### Bellerbys Business Club

Students are encouraged to develop their business skills through the Bellerbys Business Club microenterprise scheme. It's a great way to learn and make money at the same time! One successful group this year organised a UK-Malaysian Film Festival at the Odeon cinema in Brighton. It was the first ever Malaysian film festival in the UK and was sponsored by the Malaysian Tourist Board. It received a great deal of coverage in the Malaysian press.

### Debating Society & United Nations Association

We have a very active Debating Society which simulates debates held at the United Nations in New York. Members of the group recently attended the USA v UK International Debate in London. All members of the United Nations Association (UNA) are actually employees of the United Nations - albeit as volunteers! This looks very impressive on personal statements and references.
