

## Bellerbys - Foundation Course

### Your university place in just one year

Foundation Year is ideal if you:

- are aged 16.5 or over
- are willing to study hard on an intensive course in order to save time
- need English support and study skills to enable you to succeed at university
- want to secure a guaranteed place at a UK university

### One-year fast track to university

The Bellerbys Foundation Year programme is a three-term course that provides an intensive, fast-track route to a university place. You can graduate to university in just one year. You start the programme in either September, January or April, enabling you to choose the best time to start depending on your own circumstances.

### A 100% guaranteed university place with one of our 50 university partners

Successful completion ensures guaranteed entry to a choice of over 890 degree courses at one of the 50 universities which formally recognise the programme. We will give you full counselling and advice to make the right choice. You will also be able to meet university representatives before making a final decision, both at their campuses and during the Higher Education days held at Bellerbys.

- Foundation Programme University Partners
- Successful completion of the Foundation programme guarantees you a place at one of our 50 partner universities. Over 400 students graduated onto UK degree courses from the Bellerbys Foundation programme in 2005. 35% of those students took up places at the UK's top 20 universities.
