

Italy - Florence Accommodation Options

We will help you with the selection and the reservation of accommodation best suited to your needs. Accommodation options can be within walking distance of the school or well connected by public transport, at max 15 minutes bus ride from school in Florence.

Accommodation is available from the Sunday before the beginning of the course through to the Saturday after the course ends. Twin rooms are guaranteed for two people coming together for the same period. The price is per person. You may choose from the following options:

Homestay

This is the ideal situation for students who wish to experience Italian daily life and to practice the language in an informal atmosphere.

Our homestay accommodation consists of young or older couples, either with or without children, single parent families and people living alone.

Naturally it will take a little time to settle in and get used to your new environment, but it will be without doubt an interesting experience.

Homestay accommodation offers a variety of living arrangements: a single or twin room, **breakfast**, **half board** and, in some cases, **use of the kitchen**.

Shared Flats

This self-catering option is for students who want to be more independent by renting a room in a flat shared with other students. You have complete freedom and are not expected to join in family life.

You can choose a single or a twin room in a completely furnished flat with 3 or more bedrooms, kitchen and bathroom to be shared with other students. Sheets and towels provided.

Independent Flats

This option is suitable for those who want the privacy and independence of their own furnished apartment. We provide furnished studios or small apartments, for one or two people, they are of varying category and dimension, fully furnished with an equipped kitchen. Bedroom and bathroom are also provided with sheets and towels.

These apartments are usually located in the city centre.

We have selected three star hotel apartments suitable for 1 or 2 people, with private bathroom, cooking facilities, telephone, television, twice weekly servicing and weekly change of linen.

These hotel apartments are usually located in the city centre. We will provide prices upon request according to the needs of the students.
