

Italy - Florence Social Activities

Florence - Social Activities

Every month the schools organize a daily programme of activities exclusively for you. You will have the possibility to broaden your knowledge of Italian culture, visit famous cities and to enjoy yourself with your new friends.

Your teachers will always be with you to help you improve your Italian and better understand Italian life and customs.

An art historian will take you on excursions to visit **museums**, world-renown works of art and places of historical interest.

Field trips are arranged to other **cities** in Italy or to local spots known for their beauty.

You can listen to afternoon **lectures** on Italian customs and current events or watch Italian **films**.

You can learn how to prepare delicious dishes of **Italian cuisine**.

You will have many occasions to practice some **sports** and to enjoy **evenings** out for dinner or at a disco with your new friends.

Social Activities in Florence

Each month the school offers a varied programme of daily activities organized for you. The programme is run with a team of teachers and provides an opportunity to have fun, practise your Italian and meet other students.

Throughout the year you will enjoy a rich programme of activities to choose from: (Please note that some of these activities incur an extra charge).
