

Inlingua Munich – Accommodation Options

Stay with a host family

- + Our private housing is intended for participants over the age of 16, who, in addition to their language training, would also like to have the opportunity to learn more about life in Germany outside of the classroom. All of our host families are carefully chosen and interviewed so that our students feel comfortable in a friendly atmosphere. All host families are easily reached by public transport and live no more than 45 minutes from the school. We have been working with many of our private housing hosts for years.
- + You can choose between the following:
 - single-room with breakfast or half-board
 - double-room with breakfast or half-board
 - high-standard accommodation with own bathroom and breakfast
- + We would like to point out that many activities begin after a short lunch break. Therefore, many students eat a small snack downtown. Due to our central location, many snack bars and restaurants can be found only 5 minutes from the school.
