

Junior Summer School Accommodation in Venice (Lignano)

Residential accommodation and the Summer School for Juniors are located in a fully equipped resort.

The students are segregated according to age and sex, our juniors sleep in rooms with 2, 3, 4 beds and private bathroom.

Our young guests will be sharing their room with students of different nationalities. Of course if students wish to share the room with friends it will not be a problem to arrange it.

Students are expected to make their own bed, help to keep the room tidy and leave bathroom, shower and toilets clean for other users.

The dorms are supervised by our staff.

All meals are served at the camp's restaurant.

From the time our young guests wake up they will enjoy Italian cooking. Every day we provide 3 hot buffet meals. Students can help themselves to a full continental breakfast, lunch and dinner.

When students are going on a full day excursion, they will be given a packed lunch of sandwiches, fruit and drink.

Residential accommodation is available from Sunday before the beginning of the course to the Sunday after its completion except the last departure date which must be on Saturday.
