

Málaga : the ideal destination !

Málaga, situated on the southern coast of Spain, is an ideal choice as a place to study Spanish. It is an historic city with many beautiful buildings, many with Arabic influences, winding , narrow streets and charming plazas. As befits the home town of Picasso it is also a cultural city: you will find not only the famous Picasso gallery but other modern art galleries, theatre, cinema, opera, classical music and much more.

Add to this the beaches, mountains and Mediterranean lifestyle - you will not be disappointed!

Accommodation

We regard accommodation to be a crucial element of a study abroad programme. Students who feel secure and comfortable in their surroundings are far more likely to study well and gain the maximum benefit from their courses. To help to ensure that our students are comfortably accommodated during their stays in Málaga we offer the following choice of accommodation:

Club Hispanico

Our 110-bedroom residence is situated in the same building as the school. There are small single rooms, twin rooms and Executive rooms. All have en-suite facilities and our 24-hour reception ensures the maximum possible security and convenience.

Host families

We inspect and select our host families to ensure that they will offer a welcoming environment at the same time as providing suitable living and study facilities.

Student Apartments

We offer 2 categories of self-catering shared apartments:

- **Type A:** max 10 mins walk to school, air conditioning, swimming pool and up-scale furnishings.
- **Type B:** max 30 mins travel time to school. More basic but comfortable.

Both types of apartment are maintained by our staff and have at least, TV, conventional oven or microwave and clothes washing machine.

Activities programme

To help enable our students to get to know Málaga and Andalucía and the local people and their customs, we offer a comprehensive programme of cultural and social activities. These range from excursions to Sevilla, Granada and Morocco through tapas bar crawls to Sevillana dance classes and Flamenco shows. Sports activities and student parties also form an important part.
